If additional space is needed, please use a separate sheet of paper to list the following information:

Name and address of provider - as indicated on the bill. Multiple bills from the same provider may be included on the same line, as long as they are for the same type of service.
Type of provider - for example: hospital, nurse, physician, clinic, physical therapist, etc.
Description of service - for example: hospital admission, office visit, x-ray, laboratory test, surgery, etc.
Date of service - inclusive dates may be indicated for bills containing multiple dates of service.
Charge - as indicated on the bill. If the bill has already been paid, please indicate the date it was paid.

Itemized Bill Information

Each provider's original itemized bill must be attached and must contain:
- The letterhead indicating the name and address of the person or organization providing the service
- The full name of the patient receiving the service
- The date of each service
- The description of each service
- The charge for each service in local currency

Payee

Make payment to policyholder, via ACH - Please note that reimbursements are payable in the same currency you have paid your premium. There should be no charge to you for receiving ACH payments. However, you may want to investigate fees charged by your bank prior to requesting an ACH payment, since you will be responsible for any such fees.

Authorization for payment to provider - complete this information if you prefer that benefits be paid directly to the provider of service. Direct payment to the provider is at the discretion of WellAway Limited, except where required by law.
